POSTIE'S EMPLOYEE OF THE MONTH

Maurice (pictured above), the dedicated post office cat, has been named Employee of the Month for the seventh month in a row! Recognized by his fellow postmasters for his outstanding commitment to protecting our office and boosting staff morale!

THE MISADVENTURES OF A LONDON POSTMAN

One fine Tuesday, Postman Stanley (pictured) found himself in quite the predicament. While on his usual route through Piccadilly, he was greeted by an overenthusiastic terrier who mistook his mailbag for a chew toy. As Stanley wrestled with the determined pup, he slipped on a stray banana peel (who knew those actually existed outside of cartoons?) and landed unceremoniously in a puddle. To top it off, a flock of pigeons decided to bless him with their presence-and their droppings. slightly chewed, and sporting a new "pigeon

accessory." Stanley delivered the mail with his usual good humour, proving once again that neither rain, nor snow, nor dog, nor pigeon can stop a

OVERHEARD IN THE SORTING ROOM...

" That's the biggest package I've seen all week!" "Handle with Care, these parcels are as fragile as I am" "I'm telling you, the stamp just winked at me." "So its fine for Maurice to nap in the break room, but when I do it it's a problem"

SCOUNDRELS' SECRETS EXPOSED: Cahoots Network Expands with Hidden Borough Yards Bar!

The notorious Cahoots Network has struck again, with the discovery of illicit activity at the Postal Office in Borough Yards. Housed within the walls of a former post office, this clandestine establishment offers patrons a sly tipple amidst the guise of a simple mail depot.

It is said to have been commandeered by a notorious band of scoundrels, operating under the radar. The back rooms, for those who can gain entry promise a rousing time with high spirits and even higher intrigue. Upon arrival, guests are greeted by an innocentlooking 'Post Office' counter, manned by an ever-watchful lookout. Those in the know will find themselves whisked through a covert passage, revealing a concealed hub of cheerful celebration buried deep beneath the iconic railway arches - and not a ration book in sight!

Within the hidden bar, cocktails are delivered via a cutting-edge pneumatic tube system, a clever device ensuring drinks arrive swiftly - although surely this was not the original intended use of the device. Seating includes everything from cosy booths to ingeniously re purposed mail sacks, providing the perfect cover for those looking to lay low.

As word of this latest venture of the Scoundrels spreads, it seems the borough's newest speak easy is destined to become a sought-after den for those with a taste for the illicit and the imaginative. Keep your eyes peeled-there's no telling where the Scoundrels might strike next!
